MUHAMMED JABIR M T

Full Stack Developer | Python | React.js | Django | Node.js

ABOUT ME

Motivated and detail-oriented Full Stack Developer with a Bachelor's degree in Computer Applications and hands-on experience in Python, Django, React.js, Node.js, and MySQL. Recently completed a Python + React Full Stack Development course, gaining practical expertise in building dynamic web applications, RESTful APIs, and responsive interfaces. Adept at problem-solving, debugging, and writing clean, efficient code. Passionate about leveraging modern technologies to develop scalable solutions and eager to contribute to innovative projects within a collaborative development team.

EDUCATION

- **Bachelor of Computer Application | 2022-2025**
  University Of Calicut
- **Plus Two (Science) | 2020-2022**
  Kerala HSE
- **SSLC| 2019-2020**
  Kerala Board Of Public Examination

PROJECTS

- **AR Plant implementation – Team Leader**

  Developed an AR-based indoor gardening app that allows users to visualise and interact with virtual plants. Integrated AI-powered image analysis for plant disease detection and care recommendations. Led a small team through design and development to deliver an interactive and sustainable gardening solution.
  Technologies Used: Python, React.js, OpenCV, AR.js

- **Travel Blog Website**

  Developed a responsive travel blog platform using React.js and Bootstrap, enabling users to explore and share travel experiences. Focused on clean UI design, smooth navigation, and dynamic content rendering for an engaging user experience.
  Technologies Used: React.js, Bootstrap, HTML, CSS, JavaScript

- **Python Chatbot Application**
  Developed a Python-based chatbot capable of handling user queries and generating smart responses using predefined logic and pattern matching. Designed the interface with Tkinter for an interactive and user-friendly experience, ensuring flexibility for future enhancements and integrations.
  Technologies Used: Python, Tkinter

TECHNICAL SKILLS

- **Frontend Development:**
  React.js,HTML5, CSS3, JavaScript (ES6+), Bootstrap
- **Backend Development:**
  Python, Django, Node.js, RESTful APIs
- **Database Management:**
  MySql
- **Version Control & Tools:**
  Git, GitHub, Visual Studio Code

SOFT SKILLS

- **Adaptability and Quick Learning**
- **Effective Communication**
- **Strong Problem Solving Skill**
- **Time Management**
- **Critical Thinking**
- **Commitment to Deadlines**
- **Team Collaboration**
